The Historic Pines Trail
Father Rasle Road, Madison

Features:
- Walking trail
- River views
- Parking
- Roadside bike trail
- Picnic tables
- River access

Located off of Father Rasle Road near the Madison/Norridgewock line, this one mile trail is an easy walk along-side the Kennebec River. The trail leads down to the river where there is access for canoe/kayak and a great fly fishing spot.
Preble Avenue Trails & Recreation
Preble Avenue, Madison

Features:
• Walking & hiking trails
• Bike trails
• Snowshoeing
• Parking

The Recreational Ball Fields on Preble Avenue just outside of town contain a series of loop trails weaving in and out of the woods. Great for dog walking and exercise these trails are groomed in the winter for cross country skiing and snowshoeing. The Preble Avenue Recreation is home to little league activities as well as four baseball fields and two softball fields.

What is the name of the Football Field?
From the Madison Boat Landing on Nathan Street, trails can be accessed that go up and down the banks of the Kennebec. This land can be used for peaceful walks along the water. There is also parking and a boat ramp for access to the river above the dam.

**Features:**
- Boat access
- Picnic tables
- Walking & hiking trails
- Snowshoeing
- River views
- Parking

**Name two types of wildflowers grown at or near the boat landing?**

Madison Playground
Main Street, Madison

Features:
• Playground
• Picnic tables
• Green space
• Parking

Constructed in October 2013, the Main Street Park and Playground features a 7,500 square foot play area. Located right on Main Street, it is the most notable of the Town's park areas. Over $70,000 was raised by local businesses and individuals for the playground and other amenities. Donors are recognized with granite markers along the sidewalk in the park.

What year was the first Madison High School built?

www.madisonmaine.com
Thompson Reserve/River Road
River Road, Madison

Features:
• River access
• Kayak & canoe access
• Swimming

Property maintained by the Somerset Woods Trustees with beautiful views and river access for kayaks and canoes. The islands offer a pleasant view from both the river and the nearby public road, which is great for water access. Kayaking here is such a treat!

Name one type of tree at the Thompson Reserve?
MHS Disc Golf Course/ Mad Dog Mile

Madison High School, Madison

Features:
• 5-hole Disc Golf Course
• Walking
• Hiking trail
• Parking
• Bring your own discs

The path is not yet marked and still under construction.
visit www.madisonmaine.com for more info.

The Mad-Dog Mile begins near the tennis courts, through the trees to the open field. Follow the open field to the trail entrance on the left. Continue through the woods to the top of the hill overlooking the soccer field/track. Continue around the football field to the short woods trail that connects to the softball field. Follow the outside of the softball/baseball fields, past the concession stand and back up the walkway towards the gymnasium.

The opening for the first disc golf hole is to the right of the tennis courts.

Who is the Madison High School football field dedicated and named after?

www.madisonmaine.com
Weston Avenue Park
Weston Avenue, Madison

Features:
- Ice skating
- Volleyball
- Horseshoes
- Green space
- Parking

Beautiful green space for families to be physically active. Maintained ice skating rink during the winter months and volleyball court during the spring, summer and fall. Horseshoe pits and picnic tables to enjoy.

How many horseshoe pits are here to enjoy?
